| About: | Founded in 1906, Lyngblomsten is an award-winning Christian nonprofit organization affiliated with the Evangelical Lutheran Church of America (ELCA), providing healthcare, housing, and community services for older adults in the Saint Paul/East Metro area of Minnesota. Today our residential campus in Como Park provides short- and long-term skilled nursing care along with subsidized and market-rate senior housing with assisted living services. Our new campus in Lino Lakes offers independent living, assisted living, and memory care. Beyond the campus, our community-based programs provide supportive services to help older adults age well in their own homes in the east metro. <i>Learn more at www.lyngblomsten.org.</i> |

Board meetings are usually on 4 th Mondays at 5:30 PM. |
| Financial Commitment: | During service on the board, directors are encouraged to place the Lyngblomsten Foundation in their top charities to support financially. As an ambassador for the organization, directors are expected to share Lyngblomsten’s needs and opportunities with their circle of influence, e.g., extending invitations to the annual fundraising gala. |
| Diversity Statement: | Lyngblomsten desires to increase the cultural diversity of our board to broaden our perspective on issues, better represent our staff and the community in which we serve, and more appropriately respond to the external influences that are changing our community and industry. We believe that diverse perspectives bolster our ability to identify the full range of opportunities and risks impacting our mission. |
