

Caregivers: Get the Break You Deserve!

Daily-Rate Respite Service gives caregivers a break so they can tend to other needs or get away for one or more days

Lyngblomsten is pleased to offer respite care at its senior living campus in Lino Lakes (6070 Blanchard Blvd., Lino Lakes). This temporary care allows family caregivers to take a break (or respite) from their caregiving responsibilities. During their stay, participants have their health and personal care needs met while connecting with others and participating in campus programs (e.g., art activities, games, concerts, movies).

As an additional support, family caregivers have access to a social worker from Lyngblomsten Community Services to help receive resources, education, and support for their caregiving journey. This could take place in person or over the phone.

Accommodations:

- Those receiving care will reside in a furnished Assisted Living or Memory Care apartment (comes with a bed, recliner, dresser, linens, towels, & soap).

Timeframe:

- Respite is offered based on room availability.
- There is no minimum stay. Maximum stay is 30 days. (For respite lasting longer than 30 days, please contact Deb Bland.)

Admission Process:

- Participants must be 62 years or older.
- Admissions accepted Monday through Thursday.
- Participants must complete pre-admission paperwork (including a doctor's order) and have an assessment completed with a Lyngblomsten nurse.
- Because of these requirements, our overnight respite cannot be offered for emergency situations or with short notice. **Caregivers are encouraged to allot at least two weeks for completing all pre-admission requirements before their requested respite dates.**

Cost:

- Please see the back of this page for packages and pricing.
